

DRONE RECORDS NEWSFLASH AUGUST 2007

Dear lovers of the "empty and still unpopulated universes, which I was the first to enter.." !!

Here are more worlds to explore, the Newsflash-update for August 2007. Lots of new stuff arrived in the last month, we are also proud to announce these following in-house productions:

DR-41: DRONAEMENT - Wassermond 7"

re-issue of one of the most wanted Drones finally available (originally released in 2000). Green vinyl & full-colour cover, ed. of 300.

DR-58: URE THRALL - Premonition 9/11 7"

re-issue of one of the most wanted Drones finally available (originally released in 2003). Red vinyl & new full-colour cover artwork by URE THRALL, ed. of 300.

price: 7.00

TROUM - AIWS CD (Transgredient Records TR-05)

First new full-length Troum CD in many years... 9 tracks of deep yearning, melancholy and transcension. Great digipack-artwork by Alan Mc Clelland.

price: 13.00

... and a new 10" in our concept-series SUBSTANTIA INNOMINATA (just in production, pre-order possible - should be ready 25. August '07):

SUB-06: RLW - Contours Imaginaires 10"

Three mesmerizing high-tension pieces by the legendary ex-P16.D4-member in our concept-series... "built from a few seconds of piano and vocals, everything else: imagination." Artwork by Oneirod. Edition of 500, full-colour covers.

price: 12.00

In the update below you find more exciting new stuff from AFE Records and DIE STADT, an amazing HALO MANASH LP/DVD, a FEAR FALLS BURNING 5 LP box, the first fabric-pressed CD-album by russian HUM, and and and.....the experimental scene is more active than ever, and its hard to keep track with all the new stuff!!

As always, pre-orders & reservations are possible. You also may ask for any new release from the more "experimental" world that is not listed here, we are probably able to get it for you.

Please send your orders & all communication to:

drone@dronerecords.de

PLEASE always mention all prices to make our work on your orders easier & faster and to avoid delays, thanks a lot !

DRONE RECORDS NEWSFLASH OCTOBER 2007

Dear Droners,

here are our new mailorder-entries for September and October, quite a massive update.

You find here lots of new exciting releases from BETA-LACTAM RING RECORDS, WAYSTYX, TAALEM, MYSTERY SEA, GEARS OF SAND, MALIGNANT, MONOCHROME VISION, ROIL NOISE, a new Troum 7" plus T-Shirt, new works from AIDAN BAKER, JAMES PLOTKIN, DANIEL MENCHE, BIG CITY ORCHESTRA, O□HOI, ANDREW LILES, the great new NURSE WITH WOUND / FAUST collab CD, the SWANS back-catalogue, the new TG album on vinyl, and we brought some rare VOICE OF EYE tour CDRs from the recent tour.... some stuff was re-stocked & also some rare old MC-onlys are listed, and # and # and #

...the (what we would call) "atmospheric" experimental / electronic scene is more active than ever, and its hard to keep track with all the new stuff!!

As always, pre-orders & reservations are possible. You also may ask for any new release from the more "experimental" world that is not listed here, we are probably able to get it for you. About 80% of the titles listed are in stock, others are backorderable quickly. Please send your orders & all communication to:

drone@dronerecords.de

PLEASE always mention all prices to make our work on your orders easier & faster and to avoid delays, thanks a lot !
(most of the brandnew titles here are not yet listed in our database on the website, but will be soon, so best to order from this list in reply)

BUILD DREAMMACHINES THAT HELP US TO WAKE UP!
