Drone Records Mailorder-Newsflash  November 2009

Dear Droners & Lovers of thee UN-LIMITED music!
Here are our mailorder-entries & release-news for November 2009, the 8th "Newsflash"-update this year!

In this update list you find TWO incredible LP-boxes from NURSE WITH WOUND, right in time to the 30th anniversary of this "band". Probably WW are the only project from the "experimental" sound world at this time who can have TWO of such releases in ONE month. Congratulations! Act fast if interested! Of course, there's always much more to mention, be it the amazing fieldbox from DRONAIMENT, a new album by Finnish ARKTAU EOS, or lots of incredible first listings from ARANOS, the new RADIGUE, O'ROURKE, DUNCAN, SAVAGE REPUBLIC-releases, and excellent stuff from maybe not so well known acts like WICKED MESSENGER, AKATOMBIO, RINUS VAN ALEBEEK, ACHELOO, BIONULOR, etc. etc.
We hope you have the time, energy, money, etc. to check it all out !

As always, pre-orders & reservations are possible. Most of the titles listed are in stock, others are backorderable quickly. All prices are in EURO and do NOT include postage & handling costs! Please note the minimum order is 25 Euro. The FULL mailorder-backprogramme is viewable (with search- & orderfunction) on our website www.dronerecords.de
All NEW items listed here are already listed in the database on the website, except for very rare / single copy items. Drone Records Mailorder-Newsflash  December 2009

Dear Droners & Lovers of thee UN-LIMITED music!

Here are our mailorder-entries & release-news for December 2009; the 9th & last "Newsflash"-update this year!

Own-label announcements: At this very moment finally three new Drone EPs are fabricated, we hope to have them ready before the end of the year. Pre-order now!:

DR-96 AUN - Utica 7” (Canada; harmonic distortion-drones of a higher beauty; the rising drone-star from the active Montreal-scene; white vinyl)

DR-97 CTEPHIN - DUAD 7” (USA; a whole drone-family (incl. 7 children) from the Great Plains doing bizarre & lovely ambient noise; comes on golden vinyl)

DR-98 MANACHELOPHICS - Masking My Monkeys 7” (Germany; a trio working on dark guitarish & very filmic sound drons, "thick atmospheric darkness" at its best. dark blue vinyl)

We still believe that the world needs this music, as a kind of sphere of total opposite or otherness to the popular brainwash music culture of our times (though not sure if "our" music needs THIS WORLD as it is). Aesthetic Drone-bombs for your mind!
As always, pre-orders & reservations are possible. Most of the titles listed are in stock, others are backorderable quickly. All prices are in EURO and do NOT include postage & handling costs! Please note the minimum order is 25 Euro. The FULL mailorder-backprogramme is viewable (with search- & orderfunction) on our website www.dronerecords.de.
