Dear Droners & Lovers of thee UN-LIMITED music! Here are our mailorder-entries & release-news for APRIL 2012, the 2nd "Newsflash"-update this year!

The fantastic experimental drone/ethno/trance project from St. Petersburg, Russia, with two long tracks (total 23+ min.) of stunning multi-layered compositions, using lots of detail-sounds from animals, analogue synths, female eastern voices/singings, subtle (neo) classic harmonies, bells & gongs... hyper-dense & fluid; both tracks end up in endless grooves (of water & fire), to symbolize the connection to timeless energies; beautiful artwork by ARTYOM OSTAPCHUK (ZHELEZOBETON, KRYPTOGEN RUNDFUNK). DO NOT MISS IT!!

MAILORDER NEWS: As usual some recommendations first: we loved the limited SUNMOON CDR on Essentia Mundi named "Nightsky" (exp. ambience from Romania), the transcendence nightdrones from ALIO DIE & AGLAIA (collab CD on Hic Sunt Leones), the extreme intense apocalyptic music merging different styles from GAUCHESTE (lim. LP), impressive industrial albums by SEKTOR 304 (Portugal) and HYPSIPHORNE (Greece) (CDs on Malignant), the great collab doCD by RLW & DAS SYNTHETISCHE MISCHGEWEBE (Auf Abwegen), the great collab doCD by RLW & DAS SYNTHETISCHE MISCHGEWEBE (Auf Abwegen), and the LP by KARL BÖSMANN (with remixes on B-side) (Psych KG).

STUNNING NEW RELEASES are also out from (the more well known): ALIO DIE, FIRST HUMAN FERRO, KIRCHENKAMPF, MACHINEFABRIEK, STROM NOIR, MOLEJBA PVLSE, DANIEL MENCHE, BIOSPHERE, INFRAVESSEL, etc.

Please send your orders & all communication to: drone@dronerecords.de PLEASE always mention THE PRICES (if you don’t order through the website) to make our work on your orders easier & faster and to
